Lists of files relating to Andhra region matters, those relating to Telangana region matters and those relating to common matters are to be prepared separately following the above formats.

Section Officers and Assistant Secretaries will be primarily held responsible for organisation of files and accurate preparation of computerised lists. They will be supervised by Deputy/Joint/Additional Secretaries. Special Chief Secretaries/Principal Secretaries/Secretaries shall issue immediate orders fixing responsibility for organisation and listing of files various officers. They shall review the action taken on a day-to-day basis.

Apart from Secretariat Files, the concerned Special Chief Secretaries/Principal Secretaries/Secretaries shall also ensure that all HoDs/Organisations/Agencies working under their administrative control/supervision organise their files and

prepare computerised lists. All departments have to furnish the required summary information to GAD by 15th March.

A Vigilance Committee shall be constituted comprising Secretary GAD and representatives from SPF and Vigilance to ensure that there are no unauthorised entries into Sections/Offices from now onwards and no files are transported to homes by any officer.

[Action: Secretary (Poll), GAD]

2. Employees Data

HRMS application of the Government has captured the basic details of the employees of all categories – Regular, Grant in aid, Home guards, Work-charged, NMR, Contract, Outsourced, etc. However, it is the basic responsibility of each department to have complete information about each category of employee working at various levels: Secretariat, HoD, Organisation/PSU/Society, etc. The information in HRMS package is to be verified by all the departments for accuracy. Any discrepancies should be corrected immediately, so that all personnel records are corrected and up to date.

The names of every individual paid directly or indirectly from the Government budget for last 6 months shall be in the computerised list.

[Action: Principal Secretary (Finance), R&E]

[Action: Special CS, Planning]

(9) Irrigation : There is lot of preparatory work to be carried out to work out operational guidelines, staffing patterns, budgets, office locations, procedural protocols with respect to Krishna and Godavari River management boards. Teams may be sent to study similar boards elsewhere in the country to understand the intricacies of functioning. The Sectoral Task Force will be chaired by Principal Secretary (UD) and comprise all Prl. Secretaries/Secretaries of Irrigation Department, former Principal Secretary, Irrigation (AD), Secretary, Law and Secretary (Works & Projects). The Committee shall take all necessary preparatory action in consultation with Spl. CS Energy department.

[Action: Prl. Secretary, Irrigation]

(10) Energy: The Energy department is requested to study the issues which cropped up during the bifurcation of the 3 States in 2000, and suggest appropriate guidelines and operational protocols for giving effect to the provisions of the Act. The Sectoral Committee will be chaired by Special CS, Energy and include CMD, Transco, CMD, Genco and other officers nominated by Special CS. The Committee will also review the investment projects being executed and in pipeline for both the regions.

[Action: Spl. CS (Energy)]

(11) New Capital Issues: The Central Government proposes to provide special financial support for the creation of facilities in the new capital for the successor State of Andhra Pradesh. If de-notification of degraded forest land is required for the new capital, the Act has made provisions for that also. An expert committee is to be constituted by the Central Government to study various alternatives regarding the new capital for the successor State of Andhra Pradesh and make appropriate recommendations within a six month period from the appointed date. MA & UD department is requested to identify experts in urban planning, transportation, infrastructure and finance who would be able to do the necessary

ground work and assist the Government of India committee with data and analysis. CGG/NIUM would provide the necessary technical support in the matter. In particular, rail and highway connectivity between district headquarters and new capital and between new capital and Hyderabad need to be established. Principal Secretary (UD) will chair this Committee which will include Principal Secretary, MA, Principal Secretary, (R&B), Principal Secretary, Finance, DT&CP, Metropolitan Commissioner, HMDA and other members nominated by the Chairman.

[Action: Prl. Secretary (UD), MA&UD department]

(12) Higher Education & Medical Institutions: The Act provides for the existing admission quotas in all government or private, aided or unaided institutions of higher, technical and medical education shall continue, as far as they relate to article 371-D of the Constitution. Further, the common admission process shall also continue. Quotas as per article 371-D and common admission process would be there for a period of ten years. Higher Education department and Medical and Health departments shall work out necessary operational instructions to all higher educational institutions and place before the apex committee. The Sectoral Committee will be headed by Principal Secretary, Medical & Health and include Prl. Secretary, Higher Education and other members nominated by the two Principal Secretaries.

[Action: Prl. Secretary, Higher Edn Prl. Secretary, Medical and Health]

(13) Services: There are several service-related issues such as appointment, seniority lists, holding of DPCs, declaration of probation, pending employee association issues, preparation of Service Rules and Codes, etc. that may be applicable to the two states. GAD (Services) shall take immediate action to prepare the services-related issues pending and action that need to be taken during the transition.

[Action: Principal Secretary, Services & HRM].

(14) Court Cases & Laws

The lists of the Court cases in Supreme Court and High Court where the Government of Andhra Pradesh is a party should be prepared by all departments and consolidated by Law Secretary. The applicability various Central and State Acts which are currently applicable to Andhra Pradesh needs to be studied and Law Secretary shall make suggestions regarding the amendments that need to be done so that the existing laws can apply seamlessly to the two states.

[Action: Law Secretary]

(15) Resource Mobilisation

A resource mobilisation committee headed by Prl. Secretary (Revenue- Excise and Commercial Taxes) would look into the issues related to all resource related matters and how they would be apportioned between the successor States. The other members would be – Prl. Secretary, Finance R &E, Commissioners of Commercial Taxes, Commissioner of Excise, IG, Registration & Stamps, Commissioner, Transport, and other members nominated by Chairman.

[Prl. Secretary (Revenue- Excise and Commercial Taxes)]

Weekly reports are to be sent about the progress of work on every Friday from Sectoral Committee to Apex Committee. This information would be compiled and submitted to competent decision-making authority.

5. Departmental Restructuring & Reforms

The structure and staffing of practically all departments, including their undertakings, organisations, societies, agencies, etc. will need to change when the two states come into existence. Some of the outfits of departments have lost relevance in the course of time and they need to be closed or merged with other outfits. The staffing patterns of these outfits need to be drastically altered. All

Special Chief Secretaries/Principal Secretaries/Secretaries should study the organisational structures and staffing of departments and undertakings, organisations, agencies, etc. and propose changes. CGG will establish a research team which could study the proposals and make suggestions which will be put up to the apex committee for consideration.

The Secretariat Business Rules, Secretariat Instructions, Public Works Codes and Manuals, Sanction Norms, etc. need to be suitably modified to take into account the changed circumstances and also the reforms needed in view of experience gained in implementation and best practices followed elsewhere. A Committee consisting of Special Chief Secretary, Planning, Principal Secretary, Services, Principal Secretary, Finance and Secretary (Poll), GAD will go into the relevant guidelines and rules and prepare the basic documents for both States for the smooth conduct of their business.

6. New Educational Institutions and Infrastructure Facilities: All the Secretaries of the departments mentioned in the table below have to ensure that the institutions and infrastructure facilities provided in the act become a reality. All the preparatory works related to this such as concept notes, feasibility studies, and detailed project reports have to be prepared urgently and submitted to competent authorities. They should take necessary action immediately in this regard.
